IOWABISTRO Specialties

**PETE & SHORTY'S** is based on the kind of small-town taverns that have always been popular throughout the Midwest - places where people gather to relax, gossip, meet their friends, gossip, eat, drink and talk about other people. Named after an Iowa bar originally called Sinram's, Pete & Shorty's offers a welcoming "down-home" atmosphere and great food at reasonable prices. We also offer a full bar featuring the coldest beer in town. We figured this was about all you could ask for from a neighborhood joint, but if you have suggestions, please let us know. We aim to please.
